The Primary Care Annex opened its new facility September 15, 2014, located on the corner of Fletcher and I-75 in the Hidden River community. Primary Care continues to practice care through the team concept of Patient Centered Care utilizing the PACT module Patient Aligned Care Team. Our newly state of the art facility offers the veteran's the five star quaternary healthcare they deserve.

**PRIMARY CARE SERVICES:** has five teams on site (Alpha, Bravo, Charlie, Delta and Women's Center) along with other ancillary services. Another Section remains at the main campus which includes (Golf Team, Foxtrot Team, IMC, OEF/OIF and Pain). Teams are comprised of physicians, nurse practitioners, mid-level practitioners, nurses, social worker, behavioral health, clinical pharmacist, dietitian, and administrative support personnel.

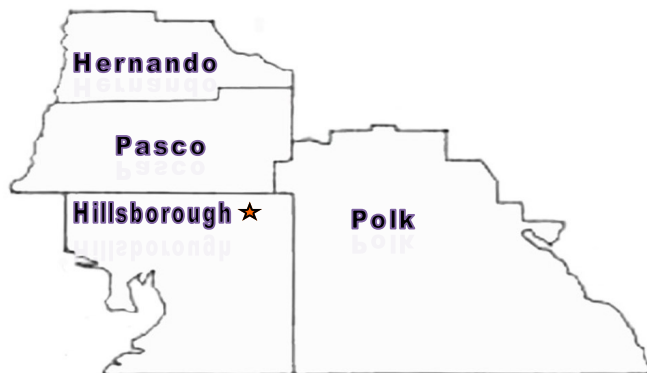

The purpose and objective of primary care is to provide a holistic approach to veterans through a coordinated interdisciplinary team, as well as to improve access to outpatient services and referral to other levels of care in an efficient, high quality and cost effective manner.
